

WATER-BASED
MARKER
FOR ANY SURFACE.

marker **pop!**

PC-3M

1,5 mm

**FINE BULLET
POLYESTER TIP**

REFILL TIPS:

Reference PCR-3, set of 3.

Complete: it can be used for both colouring and writing with control.

Clever: the bullet tip and thin barrel enable you to work with skill.

Convenient: the tip is removable and can be rinsed with water.

Economical: tips are replaceable for a prolonged life of the marker.

17 COLOURS AVAILABLE

BLACK	WHITE	GOLD	SILVER	BLUE	LIGHT BLUE	GREEN	RED

LIGHT ORANGE							

All-purpose,

POSCA PC-3M fine bullet tip is the marker designed for specialists. It can be used to customise, create, decorate or mark anything that inspires you with a precise and steady line.

DRAW, COLOUR, DECORATE, PAINT, WRITE, MARK.

POSCA PC-3M's fine tip is ideal for:

- Artists and creative professionals such as architects to colour or cross-hatch plans,
- Creative crafts hobbyists for scrapbooking or making greeting cards, decorating pictures, writing on glass or making table decorations,
- Interior design amateurs to transform objects,
- Surfers and skaters to customise their boards,
- Amateur artists to personalise a cap, a T-shirt,
- Children to make neat and vibrant colouring...
